

Doctor-formulated CountBoost™ is designed to be taken in conjunction with FertilAid® for Men to support sperm count.*

Low sperm count may impact your ability to conceive. CountBoost™ was formulated on the basis of established scientific literature to support sperm health naturally as part of a healthy lifestyle.

Recommended Use:

As a dietary supplement, take 2 capsules daily with food.

A comprehensive formula containing key antioxidants, vitamins and herbal ingredients combined to support sperm health.* CountBoost™ includes ingredients such as CoQ10, Vitamin B12, Ashwagandha, Glutathione, and Maca that have been shown to support sperm count and other key sperm parameters.*

* These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Made in the USA of imported and domestic ingredients
