Can Be Taken With
FertilAid® For Women

FERTILITEA is a delicious, mint-flavored tea designed to increase your chance of conceiving by bringing together six herbs known to promote female reproductive wellness and hormone balance.

Designed by Amos Grunebaum, MD, an internationally recognized fertility expert, FERTILITEA is the only herbal tea that offers a complete spectrum of fertility-enhancing ingredients.*

CHASTEBERRY (VITEX): Stimulates the hormones involved with ovulation and supports hormone balance*

RED RASPBERRY LEAF: Helps to tone the uterus and the muscles of the pelvic region, and is high in vitamins and minerals*

GREEN TEA: A powerful antioxidant to promote reproductive health*

LADY'S MANTLE: Helps to tone and strengthen the uterus*

NETTLE LEAF: Rich in vitamins and minerals that are critical to good reproductive health*

PEPPERMINT LEAF: Gives a delicious flavor...and serves as a sexual stimulant!*

PREPARATION: To make one cup of tea, put 1 teaspoon of FertiliTea into a tea ball or infuser. Bring water to a boil and pour hot water over the tea. Cover and let steep for 5 minutes. Strain out any leaves before drinking. Enjoy 2-3 cups of FertiliTea daily. Drink it hot or cold. Add sweetener as desired.
