

**Recommended Use:** Take 1 capsule daily as a dietary supplement.

**IsoFresh Probiotic** is formulated for the unique needs of women, with specific probiotic strains to support vaginal health.

Caution: Take only as directed. Consult your health care provider before taking if you are pregnant, lactating, or if you are under care for a medical condition. The IsoFresh Probiotic bottle is designed with an inner liner to ensure maximum potency. Store in a cool, dry place. Once open, close the cap tightly between use and use within 90 days.
