

Culturelle® Kids Ultimate Balance for Antibiotics

Did you know antibiotics kill both bad & good bacteria?

Taking Culturelle® during & after antibiotic use adds back good bacteria, restoring balance to help keep your kids healthy & strong.*

Storage Instructions: Store Culturelle® in a cool, dry place away from direct sunlight. Close cap firmly after use.

Tamper Evident: Product is sealed within a vial. Do not use if any part of the vial is torn, open or damaged.

When first taking Culturelle®, your child may experience minor bloating, gas or intestinal gurgling which should subside with continued use. Consult your healthcare professional if symptoms persist after two weeks.

For questions, concerns or to report an adverse event, please call (800) 722-3476.

Ultimate Balance for Antibiotics Chewables

Rebuilds Bacterial Balance
Lost to Antibiotic Use*

Supports Kids' Immune
& Digestive Systems*

20 ONCE DAILY
CHEWABLE TABLETS
PROBIOTIC SUPPLEMENT

Directions for children 3-12 years:
Take one (1) chewable tablet at any time of day with or without food. For ongoing digestive and immune support, continued use is recommended.

During antibiotic use, take one tablet daily and continue for 10 days after completion of antibiotics.

KEEP OUT OF REACH OF CHILDREN.
Not intended for children under 3 years of age due to risk of choking. Inform a healthcare professional before starting any dietary supplement, particularly if there is a known immune-compromised condition.
