**Daily Value not established.

Other ingredients: hydroxypropyl methylcellulose (vegetable capsule), cellulose, silicon dioxide, calcium laurate

Contains soy.

Recommendation: For children 8 years of age and older, take 3 capsules daily with food, or as recommended by your healthcare professional. For best results, take in 2 or 3 divided doses. If desired, capsules may be opened and contents mixed into cold food.

Warning: Do not take if you are pregnant, nursing, or if you have a history of epilepsy or seizure disorders. Do not use without the supervision of your healthcare professional if you are taking warfarin, or any blood thinning drugs. If you are taking any other prescription drugs, consult your healthcare professional prior to use.
