

Peer reviewed clinical studies show GastroDefense® Daily Therapy is a superior formula for bowel health and the only formula which contains sufficient amounts of the most trusted probiotics. This proprietary formula of six probiotics, inulin, oat fiber, and bovine colostrum promotes the growth of beneficial gut bacteria, while helping crowd out and eliminate harmful bacteria. Additional benefits include: elimination of harmful pathogens; protection against occasional diarrhea and constipation; increased nutrient absorption; reduced stomach fat; and reduced cholesterol. Added aloe vera helps soothe and calm an irritated GI tract.†
