**Other ingredients:** Microcrystalline Cellulose, Citric Acid, Croscarmellose Sodium, Stearic Acid, Magnesium Stearate, Hypromellose, Magnesium Silicate, Titanium Dioxide, Triacetin, Mineral Oil, FD&C Yellow No. 5 Lake\*, Sodium Lauryl Sulfate and FD&C Blue No. 1 Lake.

\* Contains FD&C Yellow No. 5 Lake (Tartrazine) as a color additive (see **Precautions**).

### Warning: Do not exceed recommended dosage.

The dietary supplementation of any anemic condition should be under the advice and supervision of a physician. Since oral iron products interfere with absorption of certain antibiotics, these products should not be taken within two hours of each other. Consult your doctor before use if you have, or have had, any health condition or if you are taking any medications (prescription or OTC). Gastrointestinal disturbance (anorexia, nausea, diarrhea, constipation) occur occasionally, but are usually mild and subside with continuation of therapy.

**INDICATION:** For the dietary supplementation of iron deficiencies.

### PRECAUTIONS

This product contains FD&C Yellow No. 5 Lake (tartrazine) which may cause allergic-type reactions (including bronchial asthma) in certain susceptible persons. Although the overall incidence of FD&C Yellow No. 5 Lake (tartrazine) sensitivity in the general population is low, it is frequently seen in patients who also have aspirin hypersensitivity.

**If pregnant, or planning to become pregnant or are currently breast-feeding, please contact your physician, or health-care provider before using or continuing use.**

### DOSE AND ADMINISTRATION

Usual adult dosage is one tablet daily, between meals, or as directed by a physician or health-care provider.

**Do not exceed recommended dosage. Do not administer to children.**

### HOW SUPPLIED

Ferrocite® Tablets are round, green, film-coated tablets debossed, "B181". Supplied in boxes of 100 tablets (4 x 25). 51991-181-42

**WARNING: Keep this and all medications out of the reach of children.**

**STORAGE:** Store at 25°C (77°F); excursions permitted to 15° - 30°C (59° - 86°F). See USP Controlled Room Temperature. Protect from light and moisture.

All substitutions using this product shall be pursuant to state statutes as applicable. This is not an Orange Book product.

**WARNING:** Cancer and Reproductive Harm - [www.P65Warnings.ca.gov](http://www.P65Warnings.ca.gov)

WARNING: Accidental overdose of iron-containing products is a leading cause of fatal poisoning in children under 6. Keep this product out of reach of children. In case of accidental overdose, call a doctor or poison control center immediately.

These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.
