

Suggested Use: As a dietary supplement, mix 1 serving with 8-10 oz of water, milk, or your favorite beverage.

CASEIN+ is 100% naturally sweetened and flavored micellar casein, which is the highest quality casein you can buy.

Micellar casein is a slow-digesting protein that provides your body with a steady supply of vital amino acids for over six hours. It's also 90%+ protein by weight, making it naturally low in carbs and fat, and contains virtually no lactose, which means better digestibility and fewer upset stomachs.†

CASEIN+ comes from cows raised on 100% non-GMO feed, and that haven't been treated with hormones or antibiotics. It also contains no artificial sweeteners or flavoring, no "amino spiking," and no unnecessary fillers or chemical additives.†

Don't overpay for inferior casein supplements or "casein blends." If you want a clean, 100% pure micellar casein at a great price, then you want CASEIN+.†
