

PerfectAminoXP contains the eight essential amino acids the body needs to support and maintain its muscular, skeletal, enzymatic, and hormonal systems, which can be damaged with stress, age and physical exertion.* The amino acids are considered "essential" because they must be obtained from foods or supplements and are not created by the body itself.* The essential amino acids in **PerfectAminoXP** are in the exact proportions needed for maximum utilization by the body.* Lack of just one of these amino acids can affect your body's ability to build its needed body protein.*

PerfectAminoXP features an Amino Acid Utilization™ (AAU) of at least 99%.* This means that 99% or more of the amino acids are directly used as building blocks in the body's protein synthesis.* This is more than twice the AAU of other dietary protein sources (see chart below).*

PerfectAminoXP AAU™

Compared to Other Dietary Protein Sources (100% MAX)*

100% ALL NATURAL - SWEETENED WITH STEVIA

BODYHEALTH
OPTIMIZING HEALTH & VITALITY

PERFECTAMINOXP
POWDER

Proprietary Blend of the 8 Essential Amino Acids
which are the building blocks of body protein

Optimized for Maximum (≥99%) Utilization*

LEMON LIME

DIETARY SUPPLEMENT

Net Weight is 395.46g (13.95oz) - 60 servings

Supplement Facts

Serving Size: 1 scoop (6.58g)	Servings Per Container	60
	Amount Per Serving	% DV
Calories from Carbohydrates	2	<1%
Proprietary Blend: (L-Leucine, L-Valine, L-Isoleucine, L-Lysine HCL, L-Phenylalanine, L-Threonine, L-Methionine and L-Tryptophan)	5g	†
† Daily value not established.		

Other Ingredients: Citric Acid, Lemon Lime Flavor (Natural), Stevia Extract, Sunflower Lecithin, Malic Acid.

Contains none of the following: fat, yeast, gluten, soy, corn, wheat, rice, GMO, preservatives, dairy or animal products.

PerfectAminoXP is recommended in the dietary management of those individuals with inadequate amino acids intake.

Packaged by weight, not volume. Settling may occur.

Manufactured in a cGMP FDA registered facility.

Store in a cool, dry place.

Suggested Use: As a dietary supplement, take 1 scoop in 8-12 oz of cold water or juice daily, either 30 minutes before, or 1 hour after eating other proteins or fats. Use more water if needed to satisfy your taste buds. As an exercise aid, take an additional 1-2 scoops prior to physical activity or as described by a health professional.

For best taste, refrigerate after opening and shake before use.
