

RePlenish™ is a perfectly balanced pure electrolyte concentrate that contains not only important electrolytes but a total of 72 ionic minerals and trace minerals for complete hydration when you need it most.

Dehydration by as little as 2% body weight loss due to sweating is known to be a factor contributing to fatigue, cramping, decreased energy and stamina during prolonged bouts of exercise. This becomes more crucial when training or competing in the heat. Replacing lost electrolytes is essential to performing at your best. When there is a need to maintain or replace body fluids adding RePlenish™ to water creates instant and effective hydration without sugar, carbs or additives.*

CHD-Fulvic Acid enhanced minerals are meticulously prepared from a pure elemental source developed to efficiently deliver the smallest units of mineral that exist – ions. They are Angstrom sized, water soluble and completely absorbable.*

Guaranteed to contain no sugar, gluten, starch, yeast, milk, soy, MSG, GMO, artificial flavors, colors, preservatives or animal by-products. Suitable for vegetarians and vegans.

Third party tested.
