

Directions: Take 8 capsules daily. They can be taken all at once, but for optimal results, take 4 capsules twice daily with meals.

TRIUMPH's formulation does a lot more than plug potential holes in your diet: its unique combination of clinically effective ingredients improves general health and overall well-being, enhances physical and mental performance, and protects against disease. If you want to not only prevent nutrient deficiencies but also have a healthier body that feels good and is more resistant to stress, sickness, and disease... and that can train hard without being dragged down by systemic fatigue and overtraining... then you want to try TRIUMPH today.*
