

THE GOODS INSIDE

Hello sunshine! Vitamin D is naturally produced when sunlight hits your skin. But because most of us don't get to spend our days lounging at the beach, it's important to give our bodies a daily boost. OLLY Sunny Vitamin D delivers a delicious dose, rain or shine.

VITAMIN D3

This active form helps your body absorb essential calcium.* It also supports your cells, immune system and can even help you keep up that sunny disposition.* Brilliant!

Processed in a facility with products that may contain soy, egg, peanuts, tree nuts, milk, fish, shellfish and wheat.

Take only as directed. Do not exceed suggested dosage. If you have a medical condition, are on medication or are pregnant or nursing, please seek the advice of a qualified health care professional before using. Do not use if inner seal is broken or missing.

KEEP OUT OF THE REACH OF CHILDREN

Store in a cool, dry place.

[‡] Sunshine is a reference to the reputation of vitamin D as the "sunshine vitamin" because it is produced by the body following exposure to sunlight. There are other effects of sunlight exposure that are not provided by consumption of this product.
