LEUCINE 2.6g
LACTOSE <0.5g

AWARD-WINNING, EASY-MIXING, FAST-DIGESTING, ISO100® HYDROLYZED 100% WHEY PROTEIN ISOLATE* FOR MUSCLE SUPPORT.

Each serving contains 25 grams of protein from easy to mix, easy to digest, great-tasting, fast-absorbing, 100% whey protein isolate*:

THE DIFFERENCE BETWEEN HAVING GOALS & CRUSHING THEM IS ISO100.

ISO100 is simply muscle-building fuel. If your goal is gaining muscle size and strength, then ISO100 is your perfect workout partner. Loaded with muscle-building amino acids, ISO100 can support even the most serious resistance-training programs.

BENEFITS BEYOND THAT OF TYPICAL PROTEIN POWDERS.

The protein in ISO100 is a combination of hydrolyzed and whey protein isolates, without any fillers or added supplements. The hydrolyzed whey protein isolate has been partially broken down into smaller proteins and peptides, ensuring rapid and easy digestion for optimal absorption of muscle-building amino acids.

Available in a variety of delicious, indulgent flavors, ISO100 is the perfect before-workout, after-workout, anytime protein.

KNOWN WORLDWIDE FOR QUALITY, TASTE AND PURITY.

ISO100 is formulated using a cross-flow microfiltration, multi-step purification process that preserves important muscle-building protein fractions while removing excess carbohydrates, fat, lactose, and cholesterol.

REAL SCIENCE & QUALITY

Our products are formulated using the latest science. We test our products in university studies and elite training facilities. Our protein powders are manufactured at GMP Certified facilities ensuring all ingredients and final products are validated clean and safe. They are banned substance tested by Informed-Choice (www.informed-choice.org).

DYMATIZE PROTEIN ETHICS

100% of the protein claimed per serving is derived from high-quality, intact proteins. We do not amino spike.
