

SUGGESTED USE: As a dietary supplement, take two (2) capsules together, once per day, with a meal and a full glass of water, or as directed by your healthcare professional. For those with a more sensitive constitution, we recommend taking one (1) capsule daily with a meal and a full glass of water.

For best results, Vimerson Health products should be used alongside a healthy diet and regular exercise.

CAUTION: Do not exceed recommended dose. Always consult your healthcare professional before taking this or any dietary supplement, especially if you are under 18. Do not take this product if you are pregnant or nursing, if you have a history of gallstones, bile duct obstruction, or if you are using anticoagulants (blood thinners). You should also consult a professional if you are taking medications or if you have an existing medical condition. Discontinue use and consult your doctor if adverse reaction occurs. Remember that you should not take supplements as a substitute for a varied balanced diet or healthy lifestyle.
