

NATROL® Carb Intercept® contains Phase 2™, a patented and clinically tested non-stimulant all-natural white kidney bean extract shown to help control carbs by reducing the enzymatic digestion of dietary starches and delaying the digestion of carbs, which reduces the caloric impact of starchy foods.^{1†}

†For detailed clinical studies, visit: www.phase2info.com

A healthy calorie reduction diet and exercise regimen is essential for weight loss. The amount of weight loss varies by individual and is related to your diet, exercise, daily activities, age and body frame.

WARNING: Consult your healthcare professional prior to use if you have or suspect a medical condition, or are taking prescription drugs, or are pregnant or lactating.

The trademarks Phase 2-Carb Controller® and Foodbound® are being used under license.
