

SUGGESTED USE: As a Dietary Supplement, healthy adults mix (shake or stir) 1 serving (1 scoop) with 16oz of water daily. If this is your first time taking KETO, begin with 1/2 scoop daily and gradually increase to the suggested serving size or 1 serving daily.

For best results, Vimerson Health products should be used alongside a healthy diet and regular exercise.

CAUTION: Do not exceed recommended dose. Supplements contain ingredients which may conflict with other medications and/or supplements you are taking or a medical condition you may have. Always consult your healthcare professional before taking this or any dietary supplement, especially if you are under 18, pregnant and/or a nursing mother. You should also consult a professional if you are taking medications or if you have an existing medical condition. Discontinue use and consult your doctor if adverse reaction occurs. Remember that you should not take supplements as a substitute for a varied balanced diet or healthy lifestyle.

NOTE: ~14.9 grams per scoop is an average. Individual scooping technique may yield slightly less or slightly more than 14.9 grams. This product is packaged by weight, not by volume. Settling of contents occurs over time and cannot be avoided. Variations in aroma, color, taste and solubility may occur.
