ADVANCED TRICHOLOGY - CLINICAL RESULTS SINCE 2002

DHT BLOCKER WITH IMMUNE SUPPORT by Advanced Trichology is the first formula to combine DHT-reducing high quality nutritionals with prebiotics, probiotics, anti-inflammatory and anti-microbial supplementation. Used to support progressive hair growth, reduce DHT impact on the hair, support healthy immune system, and promote maximum nutrient transfer to external cells.*

Since 2002, ADVANCED TRICHOLOGY products have been used in clinics as the primary dietary supplements included in clinical hair regrowth programs for men and women that produce dramatic results.
