Nature's Lining has the unique ability to travel through the digestive tract, "seek out" and attach itself to thinning areas in the stomach lining. Once attached, its formula actually strengthens the stomach wall. The dramatic activity of safe, natural Nature's Lining has been proven in human clinical trials and widely recommended by doctors since 1994.*

RECOMMENDED USE: Always take with food. Chew 1 tablet twice daily (morning and evening) for 8 weeks. If needed, an additional tablet can be chewed for occasional stomach discomfort.

Store in a cool dry place. Keep out of reach of children. Do not use if bottle seal is broken or missing.
