HAIR COLOR SUPPORT
FROM WITHIN

Dietary Supplement

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Tōki COLOR naturally supports the production of melanin, the pigment that gives hair its natural color. **Tōki COLOR** contains an extra strength blend of lycopene, pantothenic acid, folic acid, carotenoids and copper to stimulate tyrosine activity and melanocyte pigment formation. **Tōki**

COLOR is HAI™ potentiated for advanced absorption. **SUGGESTED**

USE: Take 2 tablets daily with a meal. Hair grows about half an inch a month so any change will be gradual. Store in a cool dry place. Keep out of reach of children. Do not use if bottle seal is broken or missing. Consult a health care professional at first if you are pregnant or nursing.
