

# PROFESSIONAL USE ONLY

**DIRECTIONS:** Blend, shake, or briskly stir 2 level scoops (53 g) into 10-12 ounces chilled, pure water (or mix amount for desired thickness) and consume once daily, or use as directed by your healthcare practitioner.

Consult your healthcare practitioner prior to use. Individuals taking medication should discuss potential interactions with their healthcare practitioner. Do not use if tamper seal is damaged. The labeling on this product does not comply with California's Proposition 65. Therefore, this product may not be sold in California.

**GI Cleanse Protein Powder** is a comprehensive, fructose-free, low-allergy-potential dietary supplement designed to support gastrointestinal (GI) function and balanced detoxification. It features Vegan Protein Blend, NHC's proprietary amino acid and pea/rice protein blend; Aminogen®, to facilitate protein absorption; phytonutrients; mineral amino acid chelates; and activated B vitamins, including Quatrefolic® and methylcobalamin. In conjunction with a modified elimination diet, GI Cleanse Protein Powder Van addresses GI and hepatic function as well as eicosanoid balance and cytokine metabolism. This formula is suitable for vegans.†

| With 26 Grams of protein from our proprietary Vegan Protein Blend per serving, GI Cleanse Protein Powder Supports Three Main Functions: |                                                                                       |                                                                                         |

# Typical Amino Acid Profile Per Serving:

|               |          |
|---------------|----------|
| Alanine       | 1,280 mg |
| Arginine      | 2,580 mg |
| Aspartic Acid | 3,400 mg |
| Cysteine      | 300 mg   |
| Glutamic Acid | 4,990 mg |
| Glycine       | 1,720 mg |
| Histidine     | 740 mg   |
| Isoleucine    | 1,330 mg |
| Leucine       | 2,490 mg |
| Lysine        | 2,120 mg |
| Methionine    | 330 mg   |
| Phenylalanine | 1,630 mg |
| Proline       | 1,340 mg |
| Serine        | 1,570 mg |
| Threonine     | 1,160 mg |
| Taurine       | 500 mg   |
| Tryptophan    | 300 mg   |
| Tyrosine      | 1,130 mg |
| Valine        | 1,490 mg |
