

SUGGESTED USE

For best results, take one (1) tablet, 4–8 times per day. Place tablet under the tongue to dissolve. May also be chewed to be absorbed in the oral mucosa. May be taken with or without meals.

Pregnant or nursing mothers, children under the age of 18, and individuals with a known medical condition should consult a physician before using.

Store tightly in a cool, dry place. Do not use if safety seal is broken or missing.
