

0 90700 00018 9

To assure optimal extraction of Blue Vervain's bioactive compounds, the uppermost tops of the plants are hand-harvested only when in full flower, are carefully shade-dried to retain their full color & aroma, and are then thoroughly extracted.

We prepare our Blue Vervain Extract from the flowering tops of *Verbena hastata* & *lasiostachys* plants which are Custom Wildcrafted™ in their natural wild habitat.

LIQUID HERBAL EXTRACT

BLUE VERVAIN

Verbena hastata & *lasiostachys*
Flowering Tops
