Antibiotics, birth control pills, chlorinated water and other factors can deplete the probiotic cultures that live in your gut and are vital for good health. Each capsule of PureBiotics™ Maxima provides at least 100 billion total probiotic cultures from 15 different strains offered in delayed release vegan capsules that protect the probiotics from stomach acids. These strains support:

- ✓ Immune Health*
- ✓ Healthy Digestion*
- ✓ Healthy MicroBiome*

Suggested Use: For best results, take one capsule daily between meals or with your lightest meal.

Storage: Keep refrigerated with lid tightly closed for maximum potency.

Caution: Keep all supplements out of children's reach.
