

Suggested use: Take (1) one capsule, or as directed by your health care practitioner.

Store in a cool, dry place and keep out of reach of children. Pregnant or nursing women should consult their physician before taking any dietary supplement.

VEGAN

Alpha Lipoic Acid (ALA) is a nutritious supplement that is important for cellular health and is used by many people to support lasting health. Most ALA supplements on the market only contain ALA, not R-ALA. Dr. Danielle's product contains R-Alpha Lipoic Acid (R-ALA), which is a superior and completely natural form of ALA. R-ALA is better utilized by the body and is absorbed more efficiently. †
