Whole-C™ is a whole food concentrate made from eco-sustainable, wild crafted camu camu berries from the Amazon rain forest. It contains the ENTIRE vitamin C complex found only in whole foods (not just the fractional ascorbic acid). Buckwheat sprouts, lemon peel, elderberry, cranberry, blueberry, raspberries and pomegranates are included to synergize its effects, along with BioPerine® to enhance its absorption. This combination creates the most effective vitamin C product available anywhere.*

Suggested Use: One tablet per day, with meals.

Storage: Keep closed in a cool, dry place.

Caution: Keep all supplements out of children's reach.

Does NOT Contain: wheat, milk, tree nuts, peanuts, soy, eggs, fish, shellfish

* These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.
