Mood Booster™

Natural and Clinically Proven

Dietary Supplement

60 easy-to-swallow capsules

DIRECTIONS: Take two (2) capsules daily (morning and afternoon). If no improvement occurs, increase to three (3) capsules daily after 3-4 weeks. May take up to 8 weeks to reach full effectiveness.*

PRECAUTIONS & DRUG INTERACTIONS:

- Do not exceed four (4) capsules daily.
- May increase skin sensitivity to sunlight. Individuals with fair skin should take precautions and avoid prolonged exposure.
- Not recommended for children under 12.
- Consult a healthcare professional before using if you have bipolar disorder or take prescription antidepressant drugs.
- Do not use if you are pregnant or nursing.
- Do not use if you take immunosuppressants, anti-HIV drugs, or MAOIs.
- May reduce the effectiveness of anticoagulants (e.g. warfarin), oral contraceptives, glycosides (e.g. digoxin), calcium-channel blockers (e.g. diltiazem), beta-blockers, anti-cancer drugs and methadone. Consult a physician if you use any of these drugs.
- Discontinue use if unusual symptoms occur.
