

Bio-Dontalin is a mixture of highly purified nutrients combined to support the entire mouth and strengthen the jaw, teeth, and tooth sockets.

Recommendation: Take four capsules per day following meals or as directed by your health care professional.

Other Ingredients: Bone meal*, magnesium stearate, and silica.

* Contains New Zealand bone meal that is free from heavy metals and pesticides.

† Minerals are chelated with amino acids which increases uptake by 300% and provides deeper cellular penetration for longer biological half-life.

WARNING: KEEP OUT OF THE REACH OF CHILDREN. If tamper resistant seals are broken do not use this product.
