

Take the Pure Advantage™

Hydr8 contains the right balance of simple and complex carbohydrates, essential vitamins, amino acids and electrolytes to help drive cellular hydration. This precise combination will help stimulate and promote the uptake of fluids and nutrients to be drawn "inside" the cells, resulting in true cellular level hydration.

- Cellular hydration will trigger an anabolic state that helps with Recovery, Rebuilding, Protein Synthesis and Growth Hormone Release.
- This delicious and all natural effervescent drink tastes great and is easy to mix in water.
- Gluten Free and Vegetarian Friendly
- Ideal to use before, during and after training events.
- Great for children and adults.
