

Fungistatin Capsules are designed to kill yeast in the upper G.I. tract, from the throat and nasal cavity to the bile duct area. Fungistatin Capsules are designed to work with Fungistatin Tablets, which focus on the lower G.I. tract, to kill yeast.

Recommendation: Take one to three capsules following meals or as directed by your health care professional. Do not exceed nine capsules per day.

Fungistatin Capsules contain no sugar, starch, salt, or preservatives, and no wheat, yeast, or milk derivatives.

WARNING: KEEP OUT OF THE REACH OF CHILDREN. If tamper resistant seals are broken do not use this product.
