

Fungistatin Tablets are Timed Release tablets and are designed to kill yeast and fungus in the lower G.I. tract. Fungistatin Tablets are designed to work with Fungistatin Capsules which focus on the area from the nose to the G.I. tract, to kill yeast.

Recommendation: Take one to three tablets following meals or as directed by your health care professional. Do not exceed nine tablets per day.

Fungistatin Tablets contain no starch, salt, or preservatives, and no wheat, yeast, or milk derivatives.

WARNING: KEEP OUT OF THE REACH OF CHILDREN. If tamper resistant seals are broken do not use this product.
