

Hemo-Flo is a concentrated electrolyte supplement that supplies the body with essential mineral electrolytes that are necessary for all metabolic processes including cellular pH.

Recommendation: Add 3 pumps into 8 ounces of purified water or as directed by your health care provider. The electrolyte concentrate may also be added to your drinking water, shakes or fruit juices. Fifteen gram serving is approx. 24 pumps.

WARNING: KEEP OUT OF THE REACH OF CHILDREN. If tamper resistant seals are broken do not use this product.
