Notice: This is a natural product that may exhibit color, taste, and density variations from lot to lot. It contains naturally occurring micronutrients; therefore amounts may vary within the whey protein and flavor profiles.

PaleoMeal®: Highest Quality Ingredients and Formulation

When used with a balanced whole foods diet, PaleoMeal® is designed to help promote an optimal intake of protein, fats, carbohydrates, vitamins and minerals needed for overall wellness. PaleoMeal® is made with Proserum®, a native whey protein concentrate, and maintains the full range of all the fragile immune-boosting and regenerative components naturally present in fresh raw milk. It is produced using proprietary filtration and drying which involves minimal processing. This unique production method ensures that the whey is not subjected to temperatures that would destroy the original components. We do not use cross-flow filtration, microfiltration, hydrolyzation or ion exchange methods which denature the original proteins which come from herds that graze year-round on disease-free, pesticide-free, chemical-free, natural grass pastures. Milk from grass-fed cows has many times higher levels of CLA and contains a proper balance of essential fatty acids. The milking cows are never fed grain or subjected to any growth hormone treatment, chemicals, antibiotics, genetically modified organisms, hyperimmunization or injected pathogens. The result is the highest quality protein formulation available.

Better than Soy

Whey protein is nature's richest source of biologically active protein. Unlike soy protein, which is low in the amino acid methionine, whey protein contains all the amino acids the body needs in the proper balance.

PaleoMeal® contains a proprietary full spectrum enzyme blend (n-zymes®) which includes lactase and proteases. This blend was added to aid in digestion of the small amount of lactose present and to assist in the breakdown and assimilation of the various high quality proteins found in milk.

Proserum® is a registered trademark of Wisdom Protein, Inc.

TRAACS® is a registered trademark of Albion Laboratories, Inc.

Creatine MagnaPower® is a registered trademark of Albion Laboratories, Inc. Covered by U.S. Patent 6,114,379 and patents pending.

n-zymes® is a registered trademark of National Enzyme Company.

Does not contain gluten.

designs for health®

PaleoMeal®

Proprietary Non-Denatured Whey Protein

Natural Vanilla Flavor Unsweetened

- ✓ 2.1 g Immunoglobulins
- ✓ 840 mg Lactoferrin
- ✓ Low Heat Processed
- ✓ High in Glutathione Precursors
- ✓ rBGH Free

Dietary Supplement

For Professional Use Only

900 g (2 lbs)

Recommended Use: As a dietary supplement, mix 36 grams (approx. one scoop) in eight ounces of water or any other beverage per day, or as directed by your health care practitioner. PaleoMeal® may be blended into a shake if desired and is not intended to be the sole source of calories, but rather to be used as part of an overall program of healthy eating.

Supplement Facts

Serving Size 36 grams (approx. one scoop)

Servings Per Container 25

Amount Per Serving		% Daily Value		Amount Per Serving		% Daily Value		Amount Per Serving		% Daily Value	
Calories	120			Biotin (as d-Biotin)	100 mcg	35%		Immunoglobulins	2.1 g	†	
Calories from Fat	20			Pantothenic Acid	100 mg	1000%		(from Proserum® Whey)			
Total Fat	2 g	3%*		(as d-Calcium Pantothenate)				Phosphatidylcholine	840 mg	†	
Cholesterol	20 mg	7%		Calcium	85 mg	8%		(from soy lecithin)			
Sodium	70 mg	3%		(from Proserum® Whey)				Creatine	550 mg	†	
Total Carbohydrate	10 g	3%*		Phosphorous	60 mg	6%		(from Creatine MagnaPower®)			
Dietary Fiber	3 g	12%*		(from Proserum® Whey)				Conjugated Linoleic Acid (CLA)	120 mg	†	
Sugars	1 g	†		Magnesium	100 mg	25%		High Gamma Mixed Tocopherols	100 mg	†	
Protein (from Proserum® Whey)	17 g	34%*		(from Creatine MagnaPower®)				(as d-gamma, d-delta, d-alpha, d-beta)			
Vitamin C (as Ascorbic Acid)	100 mg	170%		Zinc	5 mg	35%		Taurine	100 mg	†	
Vitamin E	15 IU	50%		(TRAACS® Zinc Glycinate Chelate)				n-zymes®	50 mg	†	
(as d-alpha tocopherol)				Chromium	50 mcg	40%		Amylase	2200 DU		
Thiamin (Vitamin B-1)	10 mg	670%		(TRAACS® Chromium Nicotinate Glycinate Chelate)				Protease 4.5	5000 HUT		
(as Thiamin Mononitrate)				Potassium	110 mg	4%		Protease 3.0	10.7 SAPU		
Riboflavin (Vitamin B-2)	10 mg	590%		(from Proserum® Whey				Protease 6.0 (Concentrate)	2000 HUT		
Niacin (Vitamin B-3)	10 mg	50%		and natural vanilla flavor)				Lactase	400 ALU		
(as Niacinamide)								Inositol	50 mg	†	
Vitamin B-6 (as Pyridoxal HCL)	10 mg	500%									
Folate (NatureFolate™ blend)	100 mcg	25%		Total Glutamine Value	3.9 g	†					
Vitamin B-12	50 mcg	830%		Bound Glutamic Acid	3 g						
(as Methylcobalamin)				(Proserum® Whey)							
				L-Glutamine	900 mg						

*Percent Daily Values are based on a 2,000 calorie diet.

†Daily Value not established.

Other Ingredients: Vegetable fiber, natural vanilla flavor, tapioca dextrin, vegetable cellulose, inulin, silicon dioxide.

Contains: Milk.
