Stabilized R-Lipoic Acid Supreme

Dietary Supplement
For Professional Use Only

60 Vegetarian Capsules

Supplement Facts

Serving Size 1 capsule

Amount Per Serving		% Daily Value
Biotin	4 mg	1333%
Taurine	500 mg	*
R-Lipoic Acid	100 mg	*

*Daily Value not established.

Other Ingredients: Potassium bicarbonate, microcrystalline cellulose, silicon dioxide, vegetable stearate.

Recommended Use: As a dietary supplement, take one capsule per day with a meal, or as directed by your health care practitioner.

Our Stabilized R-Lipoic Acid is in the form of Potassium-R-Lipoate, the preferred and only commercially available stable form of R-Lipoic acid. Binding it to potassium prevents it from polymerizing, which occurs easily due to its hygroscopic nature. This stable, non-hygroscopic, non-polymeric potassium salt form of R-Lipoic Acid does not require any special handling or refrigeration. The capsules are free of residual solvents and moisture.
