Sunbiotics is honored to introduce our Just4Kids formula - a potent dairy-free probiotic powder enhanced with organic superfoods that both you and your kids will love.

We believe in the power of whole food nutrition, not questionable fillers, additives, and synthetic flavors, so along with our 5 well-researched and stabilized probiotic strains (a total of 5 billion CFUs per serving**), we include organic, antioxidant-rich berry powder for a boost of both nutrition and flavor. The result is a probiotic supplement that will gain the seal of approval for both conscientious parents AND the pickiest of taste buds.

Allergy Info: Produced in a facility that also processes tree nuts & seeds but no grains, peanuts, soy or dairy.
