product info

Read the entire label and follow the directions carefully prior to use.

**DIRECTIONS:** Mix one (1) level scoop in approximately 4 to 8 ounces of water or beverage of choice (to taste) once or twice daily, or as recommended by a healthcare practitioner. Drink immediately.

**CAUTION:** If you have significant kidney or liver disease, please consult your healthcare practitioner before using this product.

This product contains whey protein isolate from cows not treated with growth hormone (rBST). The whey protein isolate is made using a process known as Cross Flow Microfiltration, which produces an isolate that is 90% protein, 98% of it in the bioavailable undenatured form, and retains all important subfractions in their natural ratios.

**Notice:** Use this product as a food supplement only.  
Do not use for weight reduction.\*

Store tightly closed in a cool, dry place.

**WARNINGS:**

- KEEP OUT OF REACH OF CHILDREN.
- DO NOT EXCEED RECOMMENDED DOSE.
- Do not purchase if outer seal is broken or damaged.
- When using nutritional supplements, please consult with your physician if you are undergoing treatment for a medical condition or if you are pregnant or lactating.
