Suggested Usage: As a dietary supplement, adults take 4 tablets daily or as directed by your health professional. This product is best taken with meals.

Warning: Consult a health care practitioner prior to use if you are taking blood thinners. Not to be taken by pregnant or lactating women. If you have any health condition, particularly a liver condition, or are taking any medications, consult your health professional before use. Do not exceed the suggested daily dose unless recommended and monitored by your health professional. Your health professional may decide to monitor liver function while taking this product. Discontinue immediately if a burning sensation occurs. Not recommended for people with ulcers. Do not use if you have a history of cardiovascular disease, blood clots, or known risk factors for these conditions. Consult a health professional before taking this product.

KEEP OUT OF THE REACH OF CHILDREN.

Store in a cool, dry place. Use only if safety seal is intact.

Gluten-free, Non-GMO
