

AMBEREN® BREAKTHROUGH

AMBEREN formulation is the result of over 40 years of laboratory and clinical research by a team of internationally renowned scientists and physicians. AMBEREN's ingredients support the hypothalamic-pituitary-ovarian axis, which is the backbone of the female hormonal system. AMBEREN also supports the function of the mitochondria (energy-producing center of the cell)*.

DIRECTIONS: Take 2 capsules (1 orange & 1 white) once a day with food. Please see enclosed brochure for additional serving suggestions.
