

Lot/Exp Area

NEO-3® process utilizes lipase enzymes to enrich EPA and DHA concentrations, while virtually eliminating contaminants, and helps to deliver a clean taste.

Recommended intake: Adults, adolescents and children (9 years and older): One teaspoon taken daily with a meal or as professionally directed. **Children (1-8 years):** Half teaspoon taken daily with a meal or as professionally directed.

Warning: If you are pregnant or lactating, have any health condition or are taking any medication, consult your health professional before use. Use only if safety seal is intact. Do not drink directly from the bottle. Refrigerate after opening. Contents may not fill package in order to accommodate required labeling. Please rely on stated quantity.

Keep out of the reach of children.
