

● **NEO-3®** process utilizes lipase enzymes to enrich EPA and DHA concentrations, while virtually eliminating contaminants, and helps to deliver a clean taste.

Recommended intake: Adults and adolescents (12 years and older): Two softgels taken twice daily with meals or as professionally directed.

Warning: If you are pregnant or lactating, have any health condition or are taking any medication, consult your health professional before use. Use only if safety seal is intact. Store in a cool, dry place. Contents may not fill package in order to accommodate required labeling. Please rely on stated quantity.

Keep out of the reach of children.

NEO-3® is the registered trademark of NSJL Limited, used under license.
