

Flow-Less

Flow-Less contains a special combination of pumpkin seed extract and soy isoflavones. EFLA® 940 is a special water-soluble pumpkin seed extract that has no rancidity and increased stability and solubility. SoyLife is a patent-protected soy germ extract containing standardized isoflavones and other phytonutrients.

Suggested Use

As a dietary supplement, 1 capsule three times daily for the first two weeks. After two weeks, 1 capsule two times daily, or as directed by a healthcare professional.

Contains: **Soy.**
