

Suggested Use: Adults take 2 capsules twice daily on an empty stomach (at least 45 minutes before or 60 minutes after meals) with water or as recommended by your healthcare provider.

Healthcare professionals worldwide recommend systemic enzymes for their ability to dissolve fibrin, promote natural inflammatory response, and cleanse the body of impurities. **Fibrenza™** is a powerful advanced blend of systemic enzymes utilizing **AcidDefenz™** capsule technology that allows the enzymes to withstand harsh stomach acids, providing maximum systemic benefit.*
