

Super Artemisinin

Pure artemisinin or Qinghaosu, the active constituent of the herb sweet wormwood (*Artemisia annua*), and oil derived from the same plant, total 200 mg of material per capsule.

Suggested Use

As a dietary supplement, 1 capsule one or two times daily before meals, or as directed by a healthcare practitioner. Artemisinin is best taken as part of a program that includes appropriate liver support nutrients. Sensitive individuals may want to take with food.

CAUTION: Not indicated for pregnant or nursing women. This product should only be used under the guidance of a qualified healthcare practitioner with ongoing monitoring of liver enzymes and hemoglobin during its use. In rare cases may cause idiosyncratic liver dysfunction. Combining with antioxidants or iron may theoretically decrease effectiveness.

Keep in a cool, dry place, tightly capped.
