GET THE *RISE* YOU'VE BEEN LOOKING FOR...

There are many testosterone enhancing dietary supplements on the market for men. The vast majority of them make fantastic and absurd claims that are dubious in nature on their best day if not outright fabrications and totally false. This is not the case with Gaspari Nutrition's Viridex XT, an intelligently designed, ultra potent myogenic and testosterone enhancing formula for men. Clinically tested for safety, **Viridex XT has also been demonstrated to increase free testosterone up to 166% and elicit a 19% average drop in cortisol in healthy men.** Viridex XT has been tested and shown to increase testosterone levels in actual human males not in a laboratory petri dish or in some fuzzy little animals. Viridex XT is one of only a handful of dietary supplements in this important class of products that has been shown to provide real results in real people. This clinically validated formula is **STEROID FREE.**

But would you expect anything less from Gaspari Nutrition? –the most cutting edge sports nutrition company in the history of... sports nutrition! The company that has shown time and again why it is consistently the hard core athlete's choice! When you use Viridex XT you will immediately see why when it comes to "must have" dietary supplements that increase athletic performance, increase lean muscle mass, lengthen endurance or decrease body fat, Gaspari Nutrition is the top choice in the sports nutrition market. Gaspari is and has always been at the forefront for setting and further pushing the envelope by maximizing the use of cutting edge science to provide results you can see and feel. Results in the gym, on the playing field and in the mirror. Blow past your competition in every measurable category and experience real results –results based on real scientific evidence and real clinical research for real people... just like you.
