

Micro Liposomal C

Non-GMO vitamin C,
in pure essential phospholipids from
Non-GMO sunflower lecithin. The
soy-free liposomes are several times
smaller than other vitamin C
liposome products. Pours freely
as a liquid and tastes great.

Suggested Use

As a dietary supplement,
1 teaspoon at least ten minutes
before meals, one to three times
daily, or as directed by a healthcare
practitioner. Stir into liquid
and swallow, or may be
taken undiluted.

Use within 60 days of opening.
If pregnant, consult physician
before use. Refrigerate upon
opening. May be kept in freezer for
longer term storage.

Variations in consistency may occur.
