

PhytoArtemisinin

PhytoArtemisinin contains pure artemisinin (Qinghaosu), the active constituent of the herb *Artemisia annua* (sweet wormwood), combined with phytosaponins.

Suggested Use

As a dietary supplement, 1 or 2 capsules one or two times daily before meals, or as directed by a healthcare practitioner. Artemisinin is best taken as part of a program that includes appropriate liver support nutrients. Sensitive individuals may want to take with food.

CAUTION: Not indicated for pregnant or nursing women. This product should only be used under the guidance of a qualified healthcare practitioner with ongoing monitoring of liver enzymes and hemoglobin during its use. In rare cases may cause idiosyncratic liver dysfunction. Combining with antioxidants or iron may theoretically decrease effectiveness.

WARNING: Consuming this product can expose you to lead which is known to the State of California to cause birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov/food
