HYDRATE MATCHA

DIRECTIONS: Mix 1 stick pack with 16 oz of hot or cold water and drink.

Optimal hydration and good health go hand-in-hand, but when it's time to replenish fluids, it is best to choose a healthy drink of choice for "active nutrition". Rapid Fire™ Hydrate provides coconut water and natural electrolytes in combination with a functional ingredient. These "clean" ingredients make Rapid Fire™ Hydrate a healthy alternative for a traditional sports drink.†

- Keep out of reach of children.
- Store in a cool, dry place.
- Protect from heat, light and moisture.
- Do not purchase if seal is broken.
