Buddy Bear™ Kids' Products are formulated by Brenda Watson C.N.C., president of ReNew Life Formulas and the founder of five natural healthcare clinics specializing in digestive care.

Buddy Bear™ Probiotic is a natural probiotic supplement formulated for children age 2 and older who are capable of chewing. Each great-tasting chewable bear tablet contains:

- Lactobacillus acidophilus
- Bifidobacterium bifidus
- Bifidobacterium infantis
- FOS

Buddy Bear™ Probiotic contains active Bifidobacteria and Lactobacillus cultures to help support digestive and immune health.*

**TRY THESE OTHER BUDDY BEAR™
DIGESTIVE HEALTH PRODUCTS FOR KIDS!**

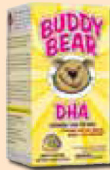

BUDDY BEAR™ DIGEST

A mild, plant-based enzyme blend formulated to assist with digestion and aid nutrient absorption.* Many children experience discomfort from incomplete digestion, and these chewable bear tablets can help.*

BUDDY BEAR™ FIBER

A blend of natural acacia fiber and larch fiber that supports healthy elimination and helps promote healthy blood sugar levels.* Fiber also helps manage your child's hunger naturally and promote less snacking throughout the day.*

BUDDY BEAR™ DHA

An Omega-3 essential fatty acid (EFA) formula that provides the nourishing benefits of natural DHA from deep-sea, cold-water fish. DHA promotes healthy brain and nervous system function, as well as eye health.*

BUDDY BEAR™ GENTLE LAX

Provides gentle, natural relief from occasional constipation for children over 2 years of age.* Each chewable bear tablet blends magnesium with natural herbs to help support regular bowel movements and promote healthy elimination.*
