We prepare our Dandelion Extract from fresh (undried), whole *Taraxacum officinale* plants (root, leaf & flower) which are **Certified Organically Grown** on our own farm without the use of chemical fertilizers, pesticides or herbicides.

To assure optimal extraction of Dandelion's bioactive compounds, the plants are hand-harvested while in full flower, and are then taken directly to our laboratory and promptly extracted while still fresh and succulent.

Other ingredients: **Certified organic grain alcohol** (35-45%) & vegetable glycerine.

Our Dandelion is never fumigated or irradiated.

Fresh herb / menstruum ratio: 1 : 1.25
