

BURP-FREE

How Does Norwegian Gold Deliver 3x More Omega-3 Absorption?*

1 Norwegian Gold
Enteric-coated Fish Gel = 3 uncoated softgels

Enteric-Coated Targeted Release means less exposure of the fish oils to harsh stomach acids and more Omega-3 delivery to the intestines.

Digestion Enhanced with Lipase further aiding in Omega-3 absorption. Lipase is critical for complete oil digestion, yet most other fish oils lack this powerful fat-splitting enzyme.*

DAILY OMEGA™ Burp-Free Guarantee

Many fish oils cause a fishy burp or "repeat", but our unique **Ultragest™ Technology** ensures more complete digestion to help prevent any unpleasant repeat, odor or intestinal discomfort.

Oils bypass harsh stomach acids

Health Benefits of Omega-3

Essential Fatty Acids like the Omega-3s in ReNew Life's Norwegian Gold oils are natural substances your body needs to maintain optimum health.* Extensive research links this type of Omega-3 to the heart, brain, eyes, joints and skin.* Because the typical American diet is lacking in these vital fatty acids, supplementation with natural fish oil is an ideal source for Omega-3s.*

ULTIMATE FISH OILS

What Makes Norwegian Gold The Ultimate Omega-3 Fish Oils?

- **High concentrations** of molecularly distilled Omega-3 essential fatty acids EPA and DHA.
- **Ultimate purity & freshness** exceeding or meeting world standards. Sourced from smaller, unthreatened wild fish from cold, pristine waters.
- **Enteric coating** for **3x more Omega-3 absorption** than uncoated softgels and reduced burping in most people.*
- **Lipase-enhanced digestion** for better absorption. This natural fat-splitting enzyme helps the body utilize these beneficial Omega-3s.
- **Fresh-Assure blue glass bottle and dark gel cap** seals in freshness and shields the pristine oils from the harmful effects of light.
- **100% fish-derived gel caps** ideal for fish-eating vegetarians and others who wish to avoid animal-based gelatin softgels.

Third-party Tested
& Certified

International Fish Oil Standards

The IFOS program is a world leader in Omega-3 testing, ensuring Norwegian Gold oils meet or surpass all world pharmaceutical standards - including NMS (Norwegian Medicinal Standard) - for freshness, purity and potency.
