What Makes Norwegian Gold the Ultimate Omega Oils?

- **Ultimate purity & freshness.** Tested & certified by *International Fish Oil Standards* to surpass or meet all world pharmaceutical standards for freshness, purity and potency.

- **Fresh-Assure blue glass bottle and dark gel cap** seals in freshness and shields the pristine oils from the harmful effects of light.
- **100% fish-derived gel caps** ideal for fish-eating vegetarians and others who wish to avoid animal-based gelatin softgels.

Burp-Free Guarantee

Many fish oils cause a fishy burp or "repeat", but our unique **Ultragest™ Technology** ensures more complete digestion to help prevent any unpleasant repeat, odor or intestinal discomfort.
